General Dentist--Houlton

Now seeking a General Dentist to join our team in the brand new Houlton Dental Facility.

The Houlton Dental Clinic has six brand new “Adec” equipped operatories. Each chair has a monitor attached to it for patient education. There is a new digital panoral machine, plus new “Iris, Digital Doc” intraoral cameras, and a sterilization area which is equipped with two MidMark autoclaves and one Statim 2000. Our new fully equipped dental lab is state of the art.

Call or email KVHC today for more information.

Our goal is your good health.
